Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 22 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry with some fog overnight, becoming windier.

This Evening and Tonight:
Clear spells through the evening, with some fog in prone spots before cloud begins to thicken overnight. Remaining dry throughout, with winds strengthening through the night. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Staying largely dry across the region, but westernmost areas may see the odd spell of patchy rain through morning. Sunny spells early on, before turning cloudy. Windy, but remaining mild. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Largely dry, cloudy, and windy again on Wednesday. Sunny spells with some isolated showers on Thursday, and lighter winds. Dry and bright on Friday. Mild days but increasingly colder nights.
